Virginia Beach, VA – Kevin H. Merritt, Director of Operations at Klett Consulting Group, Inc. participated to the U.S. House of Representatives Smart Contracting Caucus on July 28, 2009. Mr. Merritt’s experience as a Department of Defense (DoD) Contractor and as Director of Operations for a Service-Disabled Veteran-Owned Small Business in Virginia Beach, VA provided the caucus with direct understanding of the issues facing small businesses, particularly the SDVOSB community. There are challenges facing Small Businesses in the Federal Sector and this caucus serves as a forum on potential resolutions. Kevin Merritt said, “Small Businesses are the source of economic growth for our nation. Klett Consulting Group believes in discussing our ideas and concerns with the members of Congress. Together, we can develop ways to improve the procurement process and support the small business community.”

Established in 2002 and headquartered in Virginia Beach, Virginia, Klett Consulting Group, Inc. (KCG) is a Service-Disabled Veteran-Owned Small Business (SDVOSB) that provides a broad range of innovative operational and system engineering services; professional consulting services; and C4ISR Subject Matter Expertise (SME). Klett Consulting Group’s business philosophy is to work with our partners and clients to ‘Create the Future.’ KCG provides the best outcome-based, product-oriented consulting services that solve customer’s challenges through an extensive network of industry and government knowledge agents. KCG’s focus is on system integration services to facilitate innovative concepts across the technical and operation boundaries to create new capabilities. More information is available at www.kcg-inc.net.
